# Color Palette

The colors chosen for Tome e-Sports are largely inspired by League of Legends' (LoL) new in-game client interface since the application revolves around its competitive scene.

#7a2012	#ea452f	#785a28	#faf3a0	#ffffff
#010a13	#1e2328	#001f3e	#07b1b2	#cbfafa

Typography

Currently LoL uses Friz Quadrata for its logo and Beaufort for its in-game client interface. Both have similar qualities such as sharp serifs that add definition and clarity. For these reasons I chose to use both fonts.

Header: Friz Quadrata, 64pt, White

Subheader: Friz Quadrata, 48pt, White

Body 1: Beaufort Medium, 36pt, White

Body 2: Beaufort Medium, 32pt, White

Body 3: Beaufort Medium, 24pt, White

*Some exceptions were made for the Drafting Simulator Feature
